

Mr Ian Chapman
Director, Energy Security Taskforce
Department of Energy and Water Supply

Ian has over twenty years of experience in energy and resource sector governance, stakeholder relations, policy and legislation roles, both in Australia and his native Canada.

He is currently Director, Energy Security Taskforce in the Department of Energy and Water Supply, responsible for program management and secretariat functions for the Queensland Government's Energy Security Taskforce, a key commitment under the Queensland Government's Powering Queensland Plan. Ian has previously worked in a number of regulatory and policy roles in the Energy Division since his arrival in Australia in 2003, and has also worked for the Queensland Government owned generator, CS Energy Ltd. In Canada, Ian worked for both federal and British Columbia provincial forestry sector government departments in technology transfer, silviculture and reforestation program management and forestry practices legislation roles.

Ian has a Bachelor of Commerce from the University of Victoria (Canada) and a Graduate Certificate in Management from the Curtin University of Technology.
